

Thomas Ellenberger

Senior Advisor

In a rare combination of business and arts, Thomas Ellenberger learned how to direct teams, both in corporate management as well as a conductor and musical assistant. As a holder of a B.A. at HSG, his studies covered on one side Business and Finances in St. Gallen and at the University of Zurich, and on the other side Orchestra Conducting at the Conservatory of Bern and the Berlin University of the Arts.

After various assignments in the corporate world of finances and investments, Thomas founded 2016, and manages since, SBDS GmbH, a swiss business development enterprise in Zurich. The company advises clients in various sectors such as technology, renewable energy, internet/fintech and professional sports. Thomas Ellenberger serves on the Board of Directors of Swiss Cyber Gate AG and as a Senior Advisor to ESM AG.
